

DEPARTMENT OF BIOTECHNOLOGY
INSTITUTE OF BIOSCIENCES & BIOTECHNOLOGY
CHHATRAPATI SHIBJI JUMHARAJ UNIVERSITY
ORGANIZES

POPULAR LECTURES ON BIOTECHNOLOGY

ON 20th & 21st July, 2018

Biotechnology department established in 2001, offers 2 years M.Sc. (semester) and 3 years B.Sc. (annual) courses. The department has faculty members from diverse streams and specialization. It has developed extensive facilities & infrastructure to support teaching and research activities. It has received several projects from various funding agencies like DBT, CSIR, ICMR, UGC and DST.

Department of Biotechnology, IBSBT, CSJMU, Kanpur is happy to invite the budding students with scientific temperament to participate in two days event on 20th and 21st July, 2018.

This program aims to popularize and create awareness among students for scientific activities related to biotechnology and would help in the nurturing of innovative ideas and disseminate the knowledge for the betterment of society and environment.

On the first day, i.e., 20th July, 2018, the students are invited to participate in various competitive events on the theme:

- ❖ Biotechnology, Society & Environment
- ❖ Biotechnology & Biodiversity
- ❖ Biotechnology & Sustainable Agriculture
- ❖ Crime, Justice & Biotechnology

The applications are invited for

- Collage
- Debate
- Quiz
- Model making
- Essay Writing

(Details are on registration form)
